What is Highlighter Helpers?

Highlighter Helpers is a non-profit organization in Saskatchewan.

The goal of this organization is to provide school supplies to families in need.

We know that the average family spends \$125 on school supplies every year, per child! This can put a lot of financial pressure on a family to find supplies.

Who can get help?

Any family across Saskatchewan that feels like they need help should apply.

We also are glad to hear from representatives from schools or other groups!

How can you help?

We accept financial donations via e-transfer to highlighterhelpers@hotmail.com
We also accept donations of gently used school supplies!

Do you need some help?

We have a new Application Form! Fill it out and send it to us via email (if you don't have access to a scanner, you can simply answer the questions) or give us a call!

This information is kept strictly confidential. If you are approved, we then gather the supplies and ship them to you via Canada Post, or hand deliver them!
